ANGEL THROUGH THE STORMS (PAPERBACK)

DOWNLOAD

BookBaby, 2015. Paperback. Condition: New. Language: English . Brand New Book. Riveting, multilayered Angel Through The Storms delves into the loveless realities of child abuse and molestation; it illustrates the mass abandonment experienced by refugees suffering and dying on the sweltering streets of New Orleans in the wake of Hurricane Katrina; it depicts the psychological and spiritual travesties that result; it offers up hope and healing through a love too rare for any ordinary human to share; it births angels through the storms. THE MAIN CHARACTERS Claude Parrish, nicknamed Sinker, is the villain, the evil archetype, a six-foot-four brute with beady brown eyes and a beer gut that curls over the waistline of his jeans. He embodies and manifests the sins of our fathers perpetuating through the generations. He represents the heartlessness in our world. He rapes us of our childhood innocence, leaving us wounded and less able to manifest our divine potential. His wife Cecelia is a typical battered woman. Her mother never loved her; her father abandoned her. She has no concept of what real love is, yet she is desperate for it. So insecure is she that she not only puts up with Sinker's abuse, but turns a blind eye when he molests their daughter. Lola, their daughter, is a petite intuitive, an introvert who represents our childhood innocence. Her initiation into the world of humans occurs in an isolated environment where abuse reigns. Its natural consequence PTSD. During moments of crisis, she intuitively seeks safe haven from the insanity of her world by the only way she knows - psychological dissociation. She dives deeply into the inner realms of consciousness, an escape mechanism that has the potential to disintegrate her self-identity and leave her catatonic for life. The question is can she ever re-integrate? If...
