Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Easy Steps Math Decimals book has been written to explain decimals in an easy to understand way. The language used is fully explained and simple so that students just starting to learn these concepts can understand them. It is written for those who need to learn how to do calculations with decimals and not just complete question after question. The explanations given are set out in a step-by-step fashion, which allows for easy following. This book starts at the beginning of decimals and uses examples to explain everything covered. Questions are included for practice and answers are in the back. Topics include: Place values, rounding, adding decimals, subtracting decimals, multiplying decimals dividing decimals and more.
