Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: Russian . Brand New Book ***** Print on Demand *****.In his collection of poems, The Grain of the Jewish Soul, Anatoliy Vorobyev writes about the departure of the Jews from Russia in search of a permanent home. He records his impressions of a trip to Israel and the taking leave of friends, and he describes the anti-Semitism Jews face from their fellow citizens and government in Russia. The poems reflect the poet's social and political consciousness and challenge the reader to consider the issues he raises, and to find their own answers to questions that touch the core of their lives too.
