Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Although clinical research has been conducted on narcissism as a disorder, less is known about its effects on victims who are in toxic relationships with partners with Narcissistic Personality Disorder. Individuals with this disorder engage in chronic devaluation and manipulation of their partners, a psychological and emotional phenomenon known as -narcissistic abuse-. Unfortunately, the full extent of what narcissistic abuse entails is not taught in any psychology class or diagnostic manual. Since pathological narcissists are unlikely to seek treatment for their disorder, it is difficult to pinpoint what exactly makes a narcissistic abuser tick and the manipulative tactics they use, which are likely to differ from those of other types of abusers as they are more covert and underhanded. What is even more baffling is the addiction we form with our narcissistic abusers, created by biochemical bonds and trauma bonds that are also unlike any other relationship we experience. Using the latest scientific research as well as thousands of survivor accounts, this book will explore how the emotional manipulation tactics of narcissistic and antisocial partners affect those around them, particularly with regards to its cumulative socioemotional and psychological effects on the victim. It will also address questions such as: What successful techniques, tools, and healing modalities (both traditional and alternative) are available to survivors who have been ridiculed, manipulated, verbally abused, and subject to psychological warfare? What can survivors do to better engage in self-love and self-care? How can they forge the path to healthier relationships, especially if they've been a victim of narcissistic abuse by multiple people or raised by a narcissist? Most importantly, how can they use their experiences of narcissistic abuse to empower themselves towards personal development? What can their interactions with...
