BEZMEL S VESPIARY

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Definition -: Ves-pi-ar-y, Spell Syllables [ves-pee-er-ee], noun, 1. A nest of social wasps. In the middle of the Mojave Desert, inside a maximum security and completely classified terrorist interrogation camp, a man sits alone in a cage waiting to die. But this man is not a prisoner, he is an employee. A few hours previous, this man was the top Agent of the C.I.A and working outside the code of the Geneva Convention for information and extraction in order to preserve American national security. But there was an incident. A mistake. An error that caused a swarm of revolution as the detainees took control. Now, alone in an acrid limbo and completely helpless, this man tries to come to terms with who he is, what he has done and what his life means as orange suited, dissociated and psychotic human wasps take their retribution and build their nest around him. As he watches the dissolution and entropy of humanity collapse all around him, he documents his life in parallel to his plight. Piece by piece, year by year and event after sequenced event is relived in his journal whilst he fights for his life under the searing heat of the sun. This book is a terrifying, emotional and horrific journey through the psychological eye of the mind and examines the entire pathology of the human condition. This is Bezmel s Vespiary.
