Thomas Nelson Publishers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Believe it or not, everyone s a genius at something. We just need to uncover and release it for the sake of the world. Every member of your church comes with a unique set of God-given skills and talents. As a church leader, you have the weighty task of uncovering and validating them. Your challenge is to help your members identify and unleash their gifts to bring glory to God. But in our selfie-focused society, this task can feel overwhelming. God doesn t see two groups: his gifted children and the rest of us. He didn t give the Great Commission only to the extremely talented-musicians, writers, artists, pastors, and church staff. He gave it to all of us. To each of us. So, how do we help our members find their sweet spots of service in the kingdom? In **Everyone s a Genius**, author, pastor, and leadership consultant Alan Briggs, shares his belief that bringing out the abilities of often overlooked Christians-those whose unique skill sets are not as easily identifiable-remains a key component that will determine the church s impact in this and coming generations. This is an inspiring look at how we can more effectively motivate Christians to leverage their personal abilities for Christ. The truth is, reading this book is risky! It can change how you see every person you re leading. It can make you see your community differently. It can help you find gifts within your church family that will surprise you. It can also unlock something within you that you never knew mattered to God. It can expand your vision of the world, deepen your appreciation for the least of these, and refocus the mission of your church. Perhaps God will use this...
