Conciliar Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Walking in Wonder blends patristic Orthodox teaching with practical suggestions for parents, resulting in a book that is not only inspirational but full of common sense. Elizabeth White draws from her extensive experience as an educator, parent, and faithful Orthodox Christian to outline not only what the virtues are, but how their development can be encouraged in the lives of children. Each chapter ends with a list of practical ideas any parent might try to help cultivate character qualities such as attentiveness and silence. This small jewel could very well be called the Holy Fathers applied to parenting. This workbook will help parents, teachers, and all caregivers provide an environment that helps develop Orthodox attitudes toward self, others, the world, and Christ. Written with children under the age of eight in mind.
